# DEDICATION...

## ...to Monsignor Ziemak

The entire school was shocked on April 7 by the death of Monsignor John W. Ziemak, head of the Music Department. Actually we had never greeted him as a monsignor, because it was during his last illness that Cardinal Spellman informed him that Our Holy Father had made him a papal chamberlain in his household.

Monsignor Ziemak had supervised the musical activities of Hayes since the first year of our school operation. He was a talented musician who had mastered every instrument and an inspiring teacher who developed the musical ability of thousands of students who sat in his classes.

Through the Soiree Musicale which he produced every year, the fame of the Hayes aggregation became widespread. The prominent people in the world of music who attended marvelled at the results Monsignor Ziemak accomplished. Because of his efforts the sight of the Hayes Parade Band always struck a responsive chord of enthusiasm in the hearts of all who watched as it marched up or down Fifth Avenue.

No one will ever be able to think of music at Hayes without recalling the man who was responsible for building an organization that commanded universal respect and admiration. His influence will continue to be felt in the future. In recognition of his labors and achievements, the 1960 staff dedicates the Cardinal's Calendar to his memory.

# In Appreciation

Reverend  
Joseph  
O'Keefe

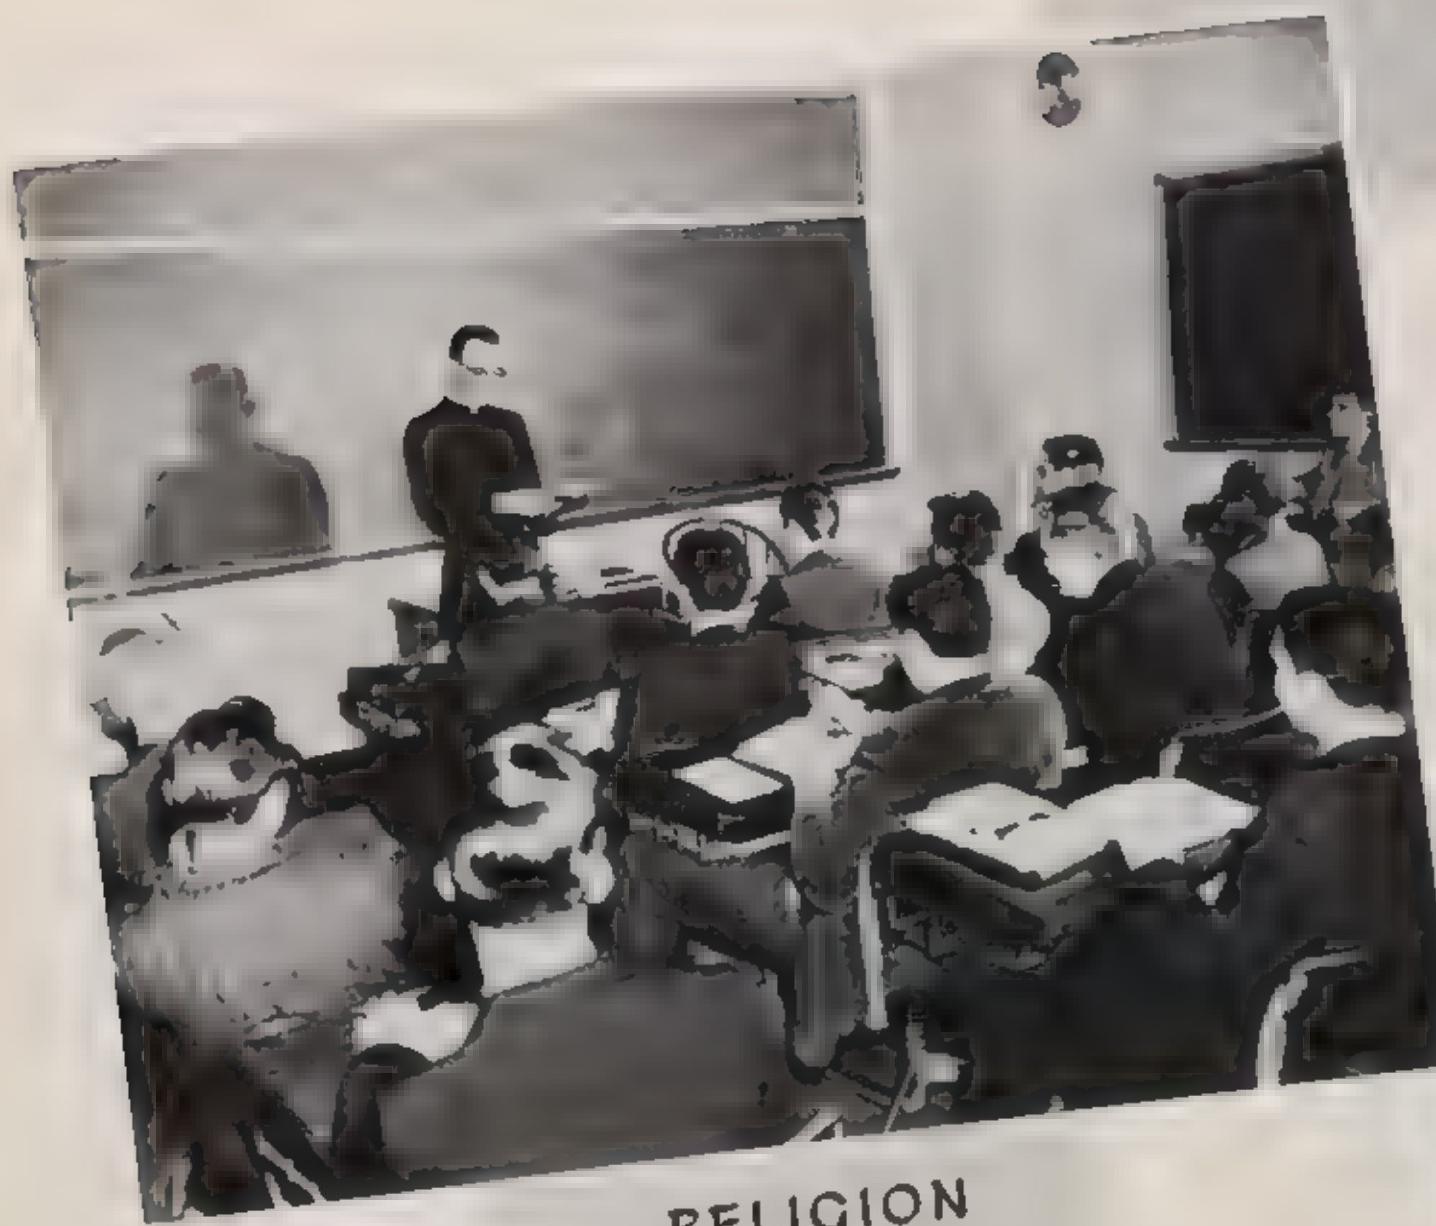

In January Cardinal Spellman announced the appointment of Father O'Keefe Dean of Studies, as the Managing Editor of the newly-proposed "Catholic Students' Encyclopedia." Unfortunately this assignment necessitated his departure from Cardinal Hayes High School

When Father O'Keefe arrived here as a Biology instructor in September, 1953, he had completed post-graduate studies at Catholic University in Washington, D.C. and spent some time as a curate in St. Luke's parish. He immediately became active in the Catholic Science Council, serving for a term as its president

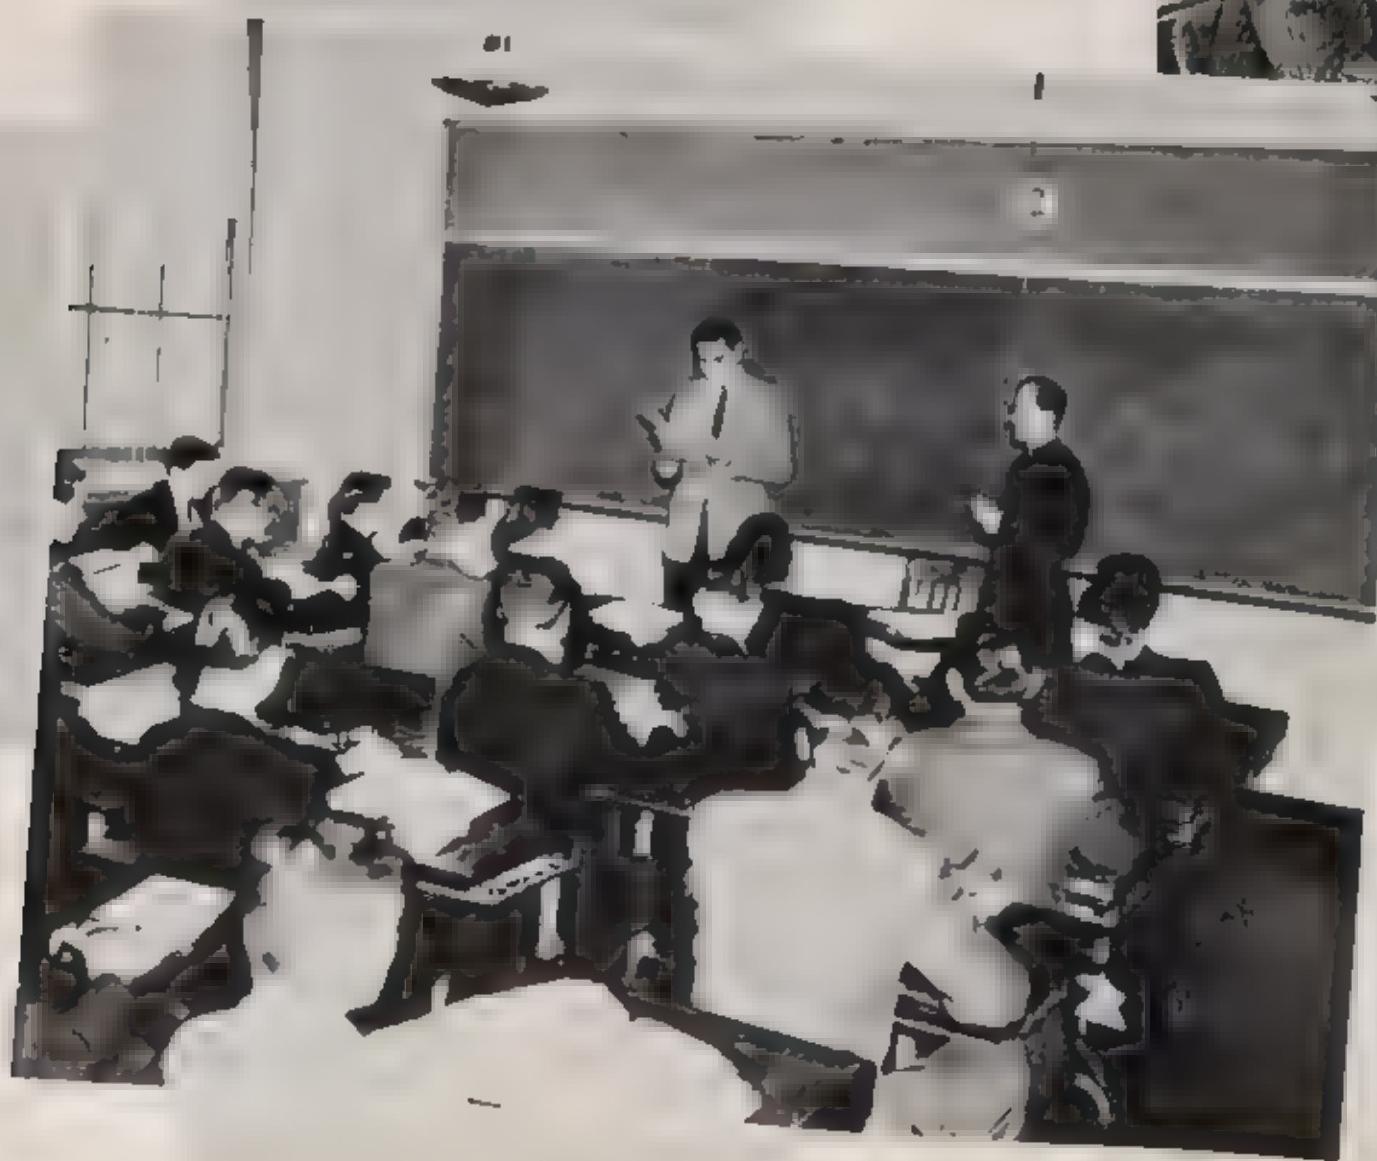

In September, 1956 he was named Dean of Studies. In this capacity he supervised the programming of the entire student body and nurtured the development of the Honors Program which had been instituted the year before. His office was always open to those who sought advice or solutions to their academic problems.

The Cardinal's Calendar salutes Father O'Keefe for his contributions to the scholastic development of Hayes and wishes him the same success in his new endeavors.

## Annual

In the early spring of each year, seniors may voluntarily attend a closed retreat at the Gonzaga retreat house at Monroe, N. Y. Because of the increased popularity of this retreat program, five weekends were reserved exclusively for Hayes this year at Gonzaga. Approximately two-hundred seniors reaped spiritual benefits under the expert guidance of the three Jesuit retreat masters.

Robert McDonnell pays a final visit to the Manresa Cave.

## Retreat

This year more Haves men than ever before availed themselves of this opportunity for religious betterment. Unfortunately, we do not have pictures of all who attended the retreats this year because the dates of some retreats are too late for them to be included in this publication. But at the time of this writing, all who attended agree that it was an inspirational and edifying experience.

# Outing

One of the highlights of the year is the boat ride to Rye Beach, when both faculty and students forget the rigors of the classroom. Hundreds of Havesmen and their guests swarm aboard for the trip every year. The Swing Band provides the entertainment for the students and their friends. All the financial arrangements are made by our Athletic Association. The whole school looks forward to the outing as the culmination of the year's activities.

## Altar Society

Although the Altar Society has the busiest schedule of all the activities in Hayes the duties performed by them often go unacknowledged. Under the active moderation of Father Principe, these Hayesmen serve daily Mass, and assist at weekly Benediction and Stations of the Cross during Lent. By their devotion an important service to the spiritual growth of all students is provided.

# Sodality of Our Lady and Y.C.S.

With the Blessed Mother as their patroness, the society strives to promote the spread of Catholic Action at Hayes. Supervised by Father Doherty and Father Valastro, the Sodality engages in specially organized devotions, in addition to their primary function of self-sanctification. At meetings, plans for new programs and activities are formulated and the official prayers of the sodality are recited

## Catholic Students' Mission Crusade

John Fedigan takes the weekly collection for the missions during homeroom period.

The student body of Cardinal Hayes has graciously answered the plea for help to the missions by giving more than seven thousand dollars to this worthy cause each year. This monetary offering is used to feed, educate and provide medical aid for the underprivileged, suppressed and illiterate masses. Since Communism with billions of dollars to spend can advance its cause anywhere throughout the world, the Catholic missionaries have to depend on the generosity of Catholic organizations principally schools to get money. Thus dependence is certainly acknowledged by the students in their yearly contributions.

## Chemistry Club

Under the able direction of its mentor, Brother Carr, members of the Chemistry Club seek to enlarge their knowledge of this subject. At their weekly meetings they are further instructed by means of slides, lectures, films and demonstrations. Each of the men is assigned a project, the best of which are shown at inter-school exhibits. By their present hard work these avid Hayesmen are laying a firm foundation for a possible career in the field of chemistry.

## Physics Club

Under the auspices of its moderator, Father Heck, the club offers numerous opportunities for students of junior and senior years to experiment in the realm of Physics. To this end, the laboratory, with its complex equipment, is at the disposal of club members. Projects are undertaken which may be entered in various contests or submitted as scholarship works to large corporations. The club provides a solid foundation for those who are considering entrance into the field of Physics.

## Biology and Radio Clubs

The primary aim of the Biology Club is to fulfill the desires of those students who wish to study in greater detail the science of Biology. Under the direction of Brother Bellarmine members use advanced techniques in working on individual and group projects. These projects are submitted for interscholastic competition during the course of the year. Various films are shown to members to illustrate the latest discoveries in Biology and aid members in understanding more fully the different aspects of this science. In the practical scope of Biology field trips are provided.

## Skating and Library Clubs

The Skating Club is one of the societies which puts emphasis on the social life of the Hayesman. The club consisting solely of seniors, makes arrangements for skating parties which are held from time to time at the Fordham Skating Palace. Under Fr. Guido's competent direction, they act also as ushers at the skating parties.

The Library Club, under the able direction of its moderator, Brother Leonard Francis, endeavors to advance the cause of literature among the students at Hayes. Meetings are frequently held and the means of achieving this noble aim are discussed. Club members maintain the school library and advise Hayesmen on the use of its excellent facilities. The club affords its members a valuable opportunity to advance themselves scholastically by acquainting them with the basic workings of a good library.

## Senior Math and Business Clubs

The Business Club, moderated by Brother Bertrand, has a two-fold purpose, assisting the departments of the school which need its facilities and training members in the use of various business machines. Among other things the club makes surveys for the Guidance Department and types reports and other data for the Athletic Department. The primary purpose of the Business Club is to acquaint members with business machines, such as adding machines and calculators. Open only to seniors who have a business subject, the club has weekly meetings on Monday.

Back Row: Father Feeney, John McGrath, Jeffrey Bigelow, Anthony Gallucci, John Harrington, William Hauf*

The History Club, under the direction of Father Feeney, is one of the newer additions to the extracurricular activities in Hayes. At present, the membership of the club is restricted to only sophomores interested in the fields related to history. Its chief purpose is to increase interest in the study of history and to visit places of historic, cultural and social interest, such as the city museums and the United Nations.

Thus far, the high point of the club has been a trip to the United Nations to view the General Assembly in action. At present, plans are being made for future trips. The most important trip the club is planning is a visit to Washington, D.C. during the summer.

## Speaking

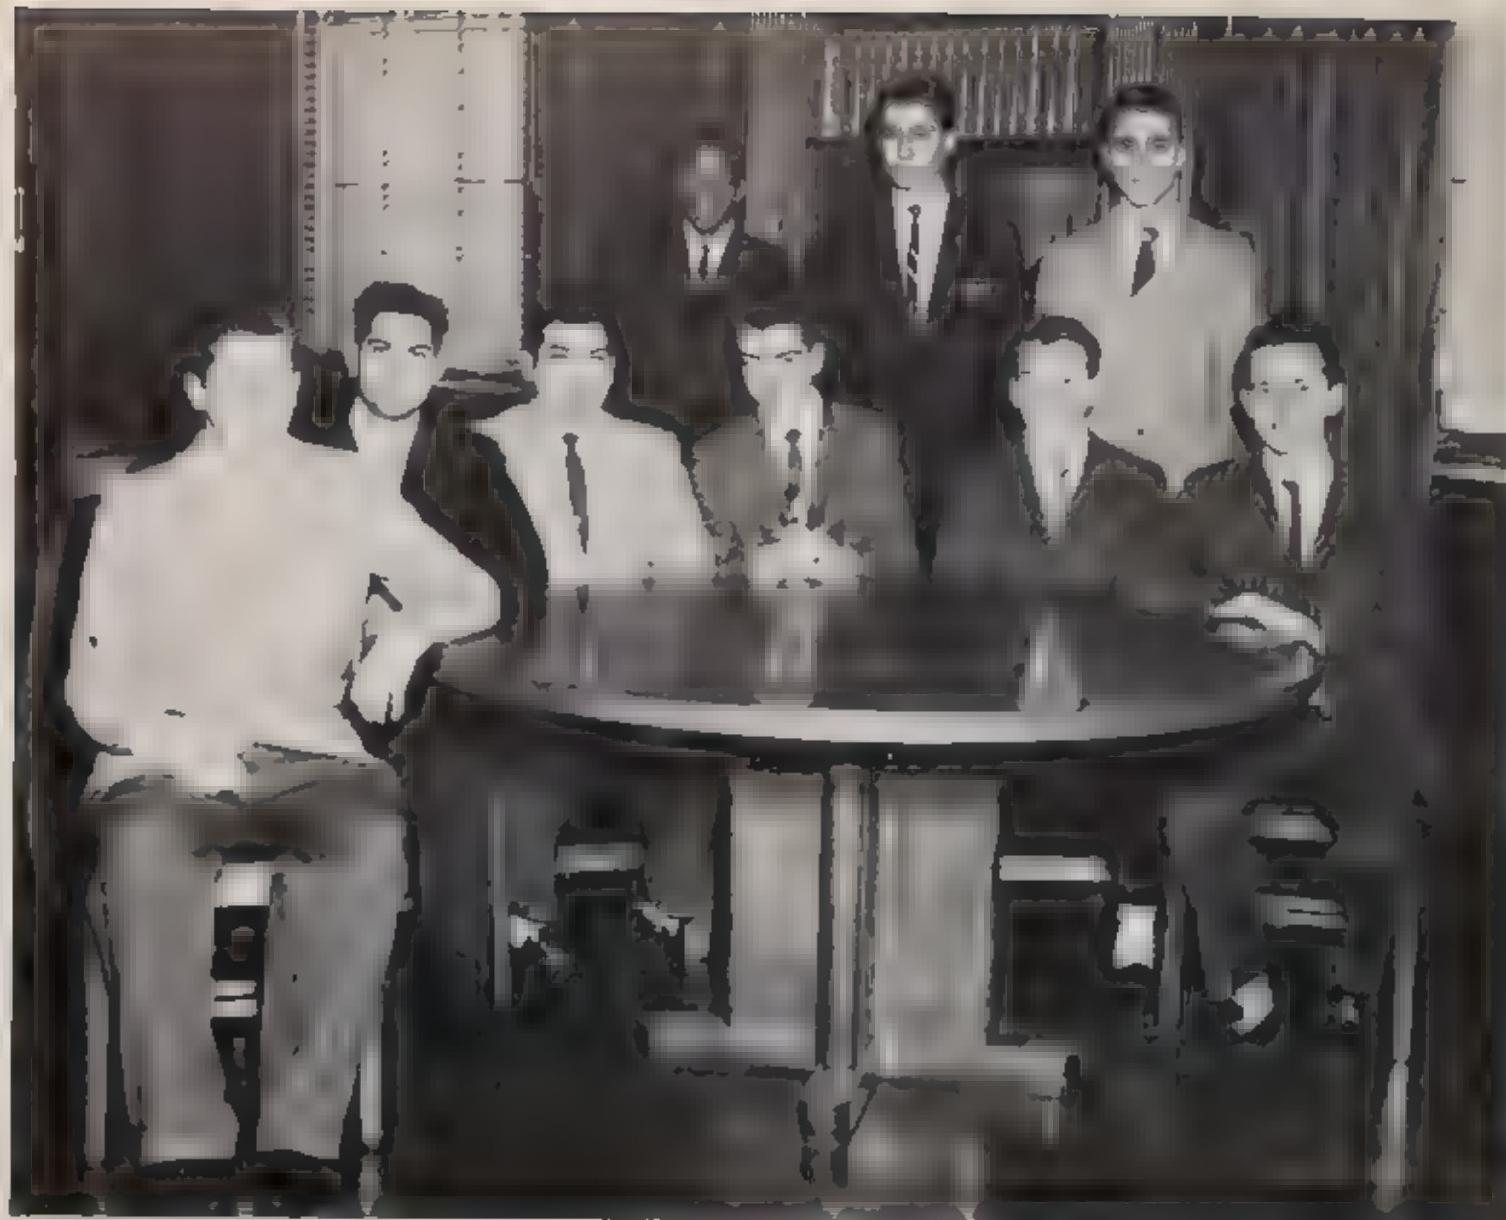

Under the supervision of Father Conlan, the Public Speaking Society endeavors to supplement and enrich the members' education. In this age, when the ability to express oneself publicly, and to influence others is becoming an absolute necessity for success in any field, the society is proving invaluable to dedicated members. The organization is divided into the Debating Society, Oratory, and Ex Tempore Speaking. During the year, members from each group entered many interscholastic contests sponsored, principally, by the Catholic Forensic League. Stalwarts among the speakers include Ray Robinson, Jose Tapia and Carmelo Zammit. Opportunities for formal debate in interscholastic competition and open forum debate are numerous and especially regulated to mold the characters and futures of the members.

## Students' Association

The Student Organization has the largest membership in the school since it involves every student. The Hayesman is given practice in self-government through the election of student officers. The Student Council, although not elected, performs a vital function in the building. They direct traffic in the corridors and the cafeteria, assist at Benediction and are present on Parents' Night and also at the time of the high school entrance exams. The Councilors are assisted by the Student Court which judges those who have violated the rules of the school.

Hoping to maintain the high standards of yearbook production established by the staffs that preceded them, the members of the 1960 Calendar went to work early in the year. Under the direction of Father Delaney, faculty adviser, Bob McDonnell, editor-in-chief, assigned various tasks and directed the supervision of detailed work.

There were worries and headaches as the months passed but the fun we had in 224 mitigated them. The effort expended in producing the edition of the Calendar was great. As the distribution date draws near, we sincerely hope that the Class of '60 will appreciate our efforts and treasure this publication in the years to come.

# Challenger

Six times a year "The Challenger," our school paper, makes its appearance among the student body. On its four pages is printed distinctive coverage of important events which have occurred at Hayes since the publication of the previous edition. Father Mahoney directs members as they gain proficiency in the skills and intricacies of newspaper publication. Maintaining a proper balance between feature copy and news, the staff endeavors to measure up to the traditionally fine publication of previous years.

## Cyrano de Bergerac

The Patricians, in presenting Rostand's "Cyrano de Bergerac," followed a tradition of fine plays that includes such splendid productions as "The Student Prince" and "Stalag 17."

Frank Caltabiano gave a professional performance as the man who is tormented by a physical deformity. His rendition of Rostand's poetry was a prodigious feat of memory which some thought, before the production, was an impossibility for a high school student. He was ably supported by the rest of the cast, especially Mary Jo Santangelo as Roxanne, Philip Mitchell as Christian and Frank Diaz as the Comte de Guiche.

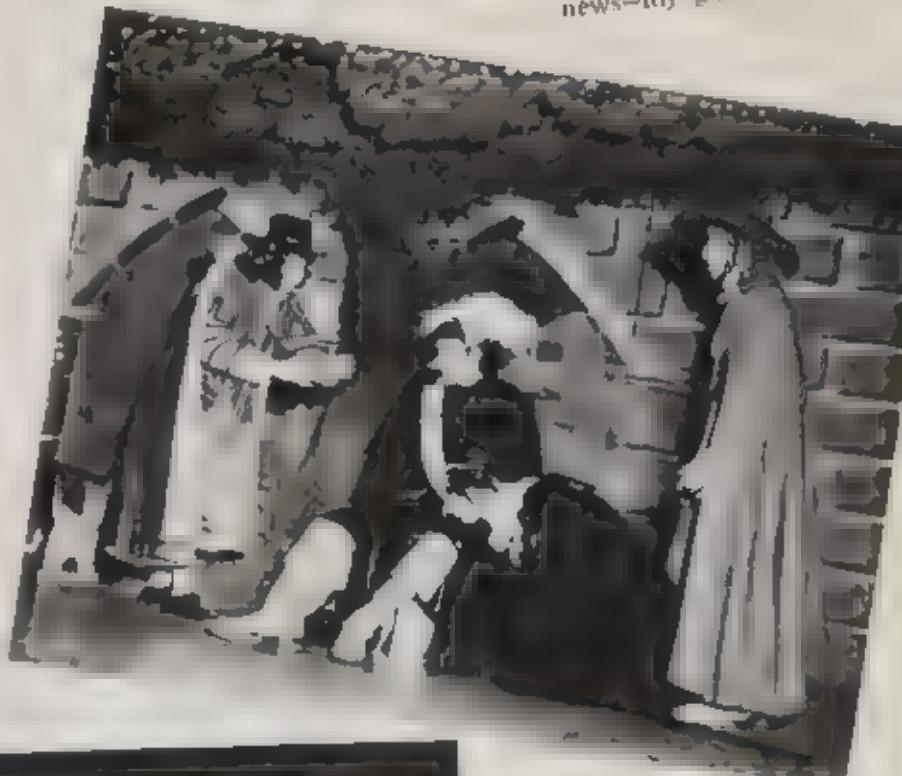

Father Conlan directed the production during weeks of rehearsals, together with Student Director, John Ogorodowczyk. The superb scenery was painted by Brother McInerney and Brother Heathwood, with the designing done by Father Tiffany and Father Gundo. Father Corrigan and his stagehands did a wonderful job backstage. During the sell-out performances the audience was swiftly and courteously taken to their seats by our ushers under the management of Father Sullivan.

The cast was well rewarded for their long hours of rehearsals, after school and on weekends, by the enthusiastic reception they received from all the four audiences. All the cast should be amply congratulated for their work and Hayesmen should be proud of such a group which added such distinction to our school.

## XAVIER 6—HAYES 0

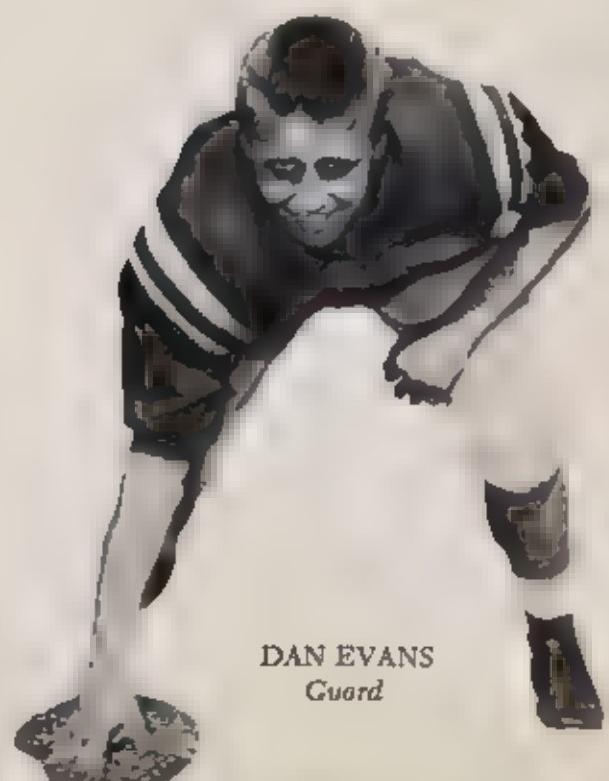

Hayes opened its gridiron season with a 6-0 loss at the hands of Xavier. The defeat snapped a two year victory skein over the Cadets.

Two interceptions, one by John Weisse and the other by Richard Gaydos were to no avail as the Cards were unable to penetrate the surprisingly strong Xavier line. A forty yard run by Cadet Bob Lemanowski momentarily shocked the Hayes' fans, but a penalty nullified the scamper. In the second quarter, Lemanowski again spotted an opening in the Cardinal secondary and hastened to pay-dirt. The Concourse eleven checked a Xavier attempt to add another two points to their one touchdown advantage.

The second half provided little consolation for Hayesmen. Xavier's strong defense rendered the Cardinals incapable of launching a prolonged offensive attack. Thus, the subway commandoes returned to their sixteenth street barracks with their mission well accomplished.

## HAYES 42—ST. JOHN'S PREP 14

Hayes recovered from their initial setback to wallop the Redmen of St. John's Prep 42-14. The romp began with John Weisse executing a sparkling 33 yard touchdown run. The TD happy Cards could not be stopped as fullback Carlo Di Bernardo and halfback Bob Filippone each scored six points. The Cardinals continued their winning ways as Richard Gaydos scored twice in the second quarter. Joining the victory band-wagon, Ed Forrest mounted his horse and galloped 78 yards to the Redmen's reservation. The half ended with the incredulous spectators gazing at the scoreboard which read Hayes 36, St. John's 0. In the third period, Bob Filippone tallied his second TD with a 22 yard run. Eugene McElroy sneaked through the jubilant Hayes line to score for the hapless Prepsters. A less hectic fourth quarter witnessed each team scoring six points and eleven scalpsless little Indians were last seen retreating to their Brooklyn wigwams.

### HOLY CROSS 15-HAYES 6

Hayes faced a spirited Holy Cross team in its first league encounter. The Knights outplayed the Cardinals to a 15-6 victory. In the first quarter, halfback Martin Feely slipped through the Hayes line for a 29 yard touchdown. The Knights gained two additional points with a successful conversion. The Cardy struck back as quarterback Frank Orlando burled a 36 yard TD pass. The conversion failed. Holy Cross chalked up another touchdown when Patrick Keneally blocked a quick kick and center Richard Basticeo fell on the ball in the end zone. Leon Kane kicked a one point conversion. Holy Cross again forced Hayes to kick in the fourth quarter and again Keneally blocked it. The Knights couldn't fashion the necessary scoring surge. The Hayes defense held off the driving Long Islanders as the game ended.

### STEPINAC 8-HAYES 0

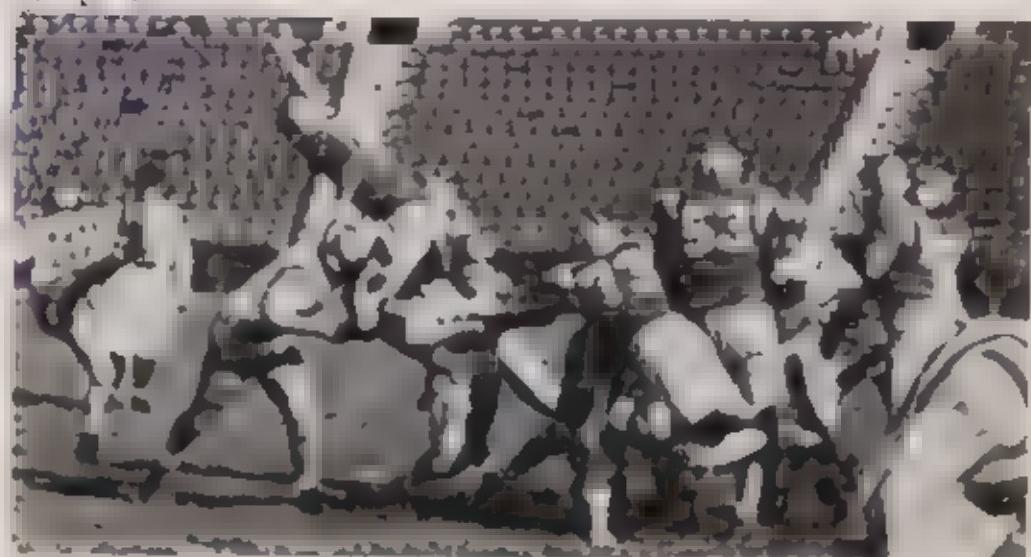

Hayes' next opponent was Stepinac. The invading eleven from Westchester eked out a thrilling 8-0 victory over its brother school.

The game was a treat for advocates of strong defensive football. Neither team could muster an offensive drive in the first quarter as the rugged secondaries sparkled. The second period again saw the inability of either team to crack the stone walls set up by the defensive lines. The third quarter was a carbon copy of the first half and the possibility of a deadlock loomed overhead. Then, late in the game, Lady Luck shined on Stepinac with the recovery of a high snap from center inside the Cardinal 10 yard stripe. The suburbanites scored a successful conversion gave them an 8-0 lead.

Thus the game ended and Stepinac carried home the Bishop Dubois Cup, awarded to the victor in this Archdiocesan rivalry.

#### ST. FRANCIS PREP 14—HAYES 0

In their first away game the Krywicki eleven trekked to Brooklyn to vie with the terrible Terriers of St. Francis Prep. The Cards suffered a 14-0 setback.

Hayes gained possession early in the game and attempted several passes. Robert Bruce intercepted a low flying toss and returned the pig-skin 20 yards to score. Tom Armstead made good on the two point conversion. A 55 yard pass and a 35 yard run by Robert Bruce had the Terriers growling again in the second period. The Cardinals regained the ball but Bruce caught another Hayes toss and scored on a 35 yard gallop. The conversion attempt was futile and the Prepsters settled for a 14-0 lead. With penalties checking almost every drive neither team was able to advance in the second half. However, in the closing minutes of the game, Armstead picked off another Hayes pass and ran 35 yards but Ed Horvath latched on to the scampering Brooklynite, short of the goal line.

#### CHAMINADE 20—HAYES 0

Accompanied by a large and spirited contingent of Hayes followers, the Cardinals journeyed to Mineola to meet Chaminade. The Flyers defeated Hayes 20-0.

The Redbirds held Chaminade in the first quarter, despite quarterback Brandeweide's passes. The Flyers' ace finally connected in the second period. End John Geraghty was on target and flew into the Hayes end-zone. Mike McDonough crashed through the rugged Cardinal line with the conversion. In the same period McDonough again lowered his flaps and glided across the goal stripe. The Cards held the leather throughout the third period but were unable to muster a scoring drive. In the final period, Brandeweide again set his sights to connect with Jeff Tobey for six points.

Although playing for a losing cause, Paul Buonaccorsi captured the C.H.S.F.L.'s Lineman of the Week accolade.

## IONA 7—HAYES 0

After being blanked in two away games the Cardinals returned to Downing Stadium to do battle with the Gaels of Iona. In a game characterized by determination and hard play Iona scored a 7-0 victory. This loss was Hayes first defeat to Iona in five years.

The first quarter saw little offensive action as both teams displayed their seemingly invulnerable defenses. Hayes gained a short spark of life in the second quarter. Halfback Ed Forrest noted an opening in the Iona formation and scrambled 35 yards before being brought down by an alert Gael defender. The Cards were unable to buck the Gael winds and the drive ended. The scoreboard still registered a scoreless deadlock after an uneventful third quarter. Late in the game Iona chalked up the winning touchdown with the recovery of a loose ball in the Hayes' end-zone. The Gaels then successfully executed a one point conversion.

## HAYES 6—MOUNT ST. MICHAEL 6

Hayes and Mount St. Michael divided the turkey on Thanksgiving Day. A crowd, 12,000 strong, watched intently as the arch-rivals clashed. The victory starved Cardinals sent Mike Gallagher hurtling 40 yards over the strong Mount defense. The Mounties managed to stave off the Hayes attack. In the second quarter Mount drove down to the three yard line where the Redbird secondary held. On the ensuing plays tackle Bill Shoeck recovered a Hayes fumble in the end-zone for the TD. Mount floundered on the extra point attempt. On the kickoff Hayes' fullback, Dick Gaydos, momentarily fumbled the ball and then handed the leather to Junior halfback Ed Forrest. Forrest took off behind excellent blocking for a spectacular 75 yard touchdown. The Hayes' conversion likewise failed. The Cards were on the move again in the fourth period but time unfortunately elapsed.

## Basketball

With the laurels of the C.H.S.A.A. within their grasp, the Redbirds, led by their captain and brilliant All-City center, Myles Dorch, bowed to Archbishop Stepinac in the semi-finals of the playoffs. But this 1960 team of Dorch and five juniors—Joe Domitrovits, Steve Dillon, Frank Del Salvo and Bill Griffin—carried Hayes into the playoffs after a two year absence and also raised the spirit of Hayes to fever pitch.

November 27, was "Old Timer's Day" at Hayes when the Alumni and the Cards battled before a packed house. The former Hayes greats led the Varsity most of the way, but at the final buzzer Dorch and Co. were in front 57-54. This 22-point performance by Dorch gave light of things to come.

The Cards opened their season against Manhattan Prep and came out on the short end of a 62-60 score. Dorch tallied 27 to capture high scoring honors. In their next encounter Coach Bernie Gallagher's plan was to move the ball quickly against the slow moving All Hallows' squad. His plan was successful. At the half Hayes led 31-26 and after more of the same heads-up basketball the game ended with the Cards initial league victory. The final score was 66-54. Dorch was high point man with 22 but the fine play of Frank Biondi who tallied 17, insured the victory. The Varsity

next played host to Power Memorial, losing 53-49. The Redbirds made only 9 of 19 foul shots while Power missed only two. There was the margin of victory. Domitrovits, Dorch, and Biondi each scored 11 markers. In their first away game, Hayes was welcomed by St. Helena's, who promptly swamped the Redbirds 67-47 for the Cards most embarrassing loss. Dorch's tally of 14 points was high for Hayes but throughout the contest he shot very poorly.

After suffering three losses in their first four league contests Hayes traveled to La Salle in an attempt to get back into the win column. The score of 38-27 at the end of three quarters didn't do much to brighten the picture. But at this point Dorch who up to this had scored only four points, took charge. He drove, he jumped shot in spectacular fashion; and as is fate, it was his jump shot from the foul line at the buzzer that forced the game into overtime. Dorch chalked up 20, as the Cards won 55-54.

During the Christmas vacation the Redbirds participated in the annual M.I.T., held at Mount St. Michael Gym. Hayes was paired against St. Helena in the opening round of the tournament. The Cards had a comfortable margin going into the final quarter. Then they literally blew it, as a

twenty-five foot jump shot by Humann sent the game into overtime. A sure win and a stellar performance by the big M—Myles Dorch, who scored 26 points, went out the window as Hayes missed fourteen foul shots in the final quarter and the three-minute overtime period. St. Helena won 55-54. This exhibition earned Dorch a spot on the Class A All-Star Team

Resuming league play, the Cards faced Rice in what proved to be a very easy win. The Cards romped 59-43. Again Dorch was high scorer with 23; Domitrovits followed with 11 markers. The Varsity journeyed to Xavier where they met a surprisingly strong Cadet squad. But Dorch's 29 tallies ended Xavier's dreams of an upset. The final score read: Hayes 66—Xavier 58. With revenge in their hearts for an earlier two-point loss, the Cards dumped Manhattan's little Jaspers 57-53. Joe Domitrovits rang up 21 tallies to take high scoring honors, while Dorch tallied 20 and grabbed numerous rebounds. Still on the road, the Cardinal and Gold hiked up the Concourse to meet All Hallows. The league-leading Gaels dealt the Redbirds their fourth loss in league play, 61-57. Dorch led Hayes with 15 before he fouled out mid-way in the fourth quarter on a doubtful call by the referee. In the annual contest with Stepinac, the Crusaders over-powered the Cards 63-55. The combined efforts of the Crusader's Mastropolo and Cohane, 17 and 15 points respectively, nullified the outstanding effort on the part of Dorch who scored 27. The Cards resumed league action on January 22 and suffered their third consecutive setback at the hands of Power. The final arithmetic was Power 53—Hayes 47. Domitrovits tallied 20 in this losing effort.

With five losses in league play the Cards' hopes for a playoff berth were somewhat dimmed as they faced St. Helena. But where there is life there is hope, and the Redbirds showed plenty of life as they rose to the occasion and eked out a 69-68 victory over the Helenians. This was a display of excellent team play as three Cards scored in double figures. Dorch with 20, followed by Domitrovits and Dillon, with 19 and 16 respectively, proved to be too much for St. Helena in this contest. With

their hopes buoyed by this exciting win, the Cards met La Salle at Friedsam Gym. After a tough battle, the Cards gained the lead and an important victory. Dorch and Domitrovits, with 16 tallies each, led Hayes to a 62-59 win. At this point in the schedule the Redbirds took a breather as they played Rice's hapless five. Hayes took an early lead and was never in danger. Dorch's 21 points gave him top scoring plaudits. Domitrovits followed closely with 19 points. This contest ended league play for the Cards with a 7-5 won-lost record.

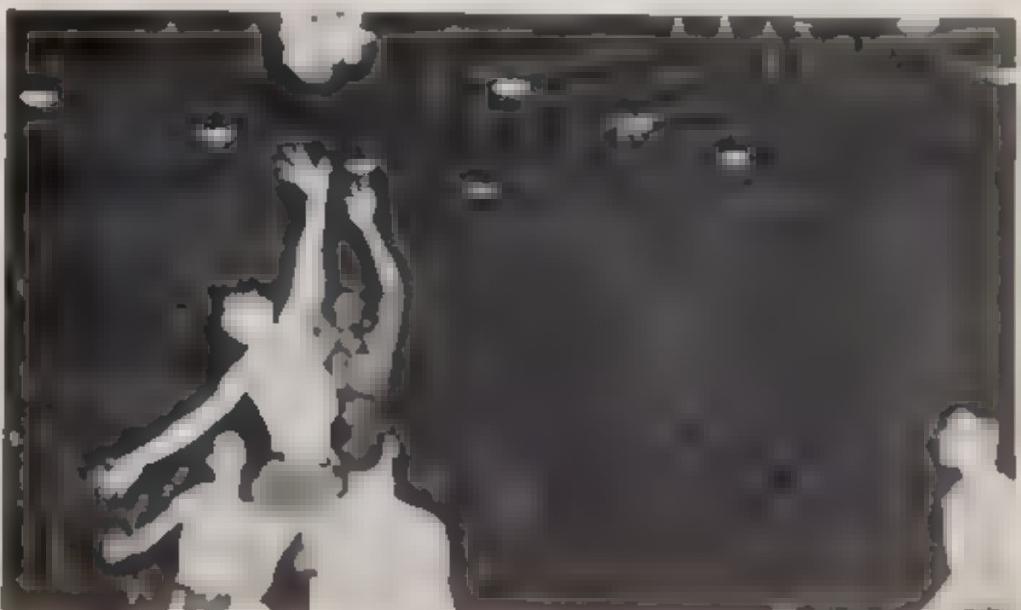

The Redbirds then practiced for the future, still hoping that they had a future, on Xavier. The Cadets should have stayed in their barracks, as Hayes ran all over them, 76-48. Joe Domitrovits scored 23 before he was taken out in the third quarter.

An explanation of league action is necessary here to clarify Hayes' position in the standings. On February 5, All Hallows defeated St. Helena 70-63, and on February 11, a determined Power quintet invaded St. Helena's territory and dealt the Helenians a crushing blow as they defeated them by a single point. These losses by St. Helena coupled with Hayes' victories placed Power, Hayes, and St. Helena in a three way tie for second place.

And so with a triple tie for second place Cardinal Hayes played St. Helena on February 13 in the Mount St. Michael Gym, the site of an earlier overtime loss to the Helenians. But this time the action was reversed, as St. Helena led all the way only to be tied by Hayes in the waning moments of the game. The sharpshooting of Bill Griffin, who scored all of his 14 points in the second half coupled with the board work and 28 tallies of

Myles Dorch, saved the day for the Cards. Dorch sank four out of four free throws in the overtime to clinch the game for Hayes. This 68-67 thriller gave the Flying Redbirds second place in the final league standings behind All Hallows, who compiled a 10-1 record. Their only loss was to Hayes.

The opening round of the C.H.S.A.A. playoffs saw the Cards facing St. Francis Prep. After a see-saw battle that saw the lead change several times, the Redbirds took charge and eventually won the game 59-54. Coach Bernie Gallagher stayed with his starting five throughout the entire game and this maneuver paid dividends when four of the Hayes quintet scored in double figures. Hayes next met Loughlin at Fordham. Myles Dorch provided the crowd with sufficient entertainment for the day, scoring 25 points in Hayes' 55-44 win. Enthusiasm was high as the Cards faced Stepinac in the semi-final round, but at the end of the first half Stepinac took a commanding 10-point lead. It was evident that the Cards faced a tough uphill battle, and battle they did. Hayesmen present at the N.Y.U. Gym roused the squad with their loud cheering and unfaltering support. The Cards quickly began to close the gap, only to have it widened by Stepinac. Yet they never gave up, as once again they came back even taking a short lived lead. But this effort snapped their strength and coupled with the loss of Dorch, Dillon and Griffin, the Cards fell behind never again to be on top. The final score read Stepinac 59—Hayes 55. This was a heart breaking loss for Bernie Gallagher, the Hayes squad, and their loyal followers. St. Helena provided the competition in a consolation game played at Fordham. St. Helena won 52-47. Dorch tallied 17 points and at the conclusion of the game was named to the C.H.S.A.A. All-City Five. Hayes, as a result of their playoff wins, gained fourth place in the city championships.

With the regular season over, Hayes entered the annual Iona Invitational Tournament, and promptly spanked Regis 63-44, Dorch's 24 markers capturing scoring honors. The Redbirds continued their winning ways by crushing St. Nicholas of Tolentine 68-40. Once again Dorch delighted his followers

with a 21-point performance. In the semi-final round, All Hallows eliminated the Cards by trouncing them 61-53. Dorch's 18 points and Dillon's 12 tallies went for naught in this losing cause. Playing St. Helena became quite a habit with the Varsity, as they once again faced the Helenamen in the consolation game for third place. St. Helena wasted no time as they crushed the Cards 74-58. Dorch tanked up 24 tallies for a tournament total of 87 points. These performances gained the big M—a berth on the tournament's All-Star Team.

The Cardinal's Calendar extends its congratulations to the Varsity, to Coach Gallagher, and to Myles Dorch, on a fine season that brought honor to Hayes and Hayesmen alike. As this edition goes to press, Myles Dorch has been named to everyone's All-City squad. In addition, Mr. Gallagher has been selected by his fellow mentors as Coach of the Year honors in the Catholic News poll.

## Track

Cardinal spikemen have once again turned in a successful season for the Cardinal and Gold. Father Holland, moderator; Coach Harrington, track, and Brother Edward Michael, field, were well rewarded for their many hours spent with the team.

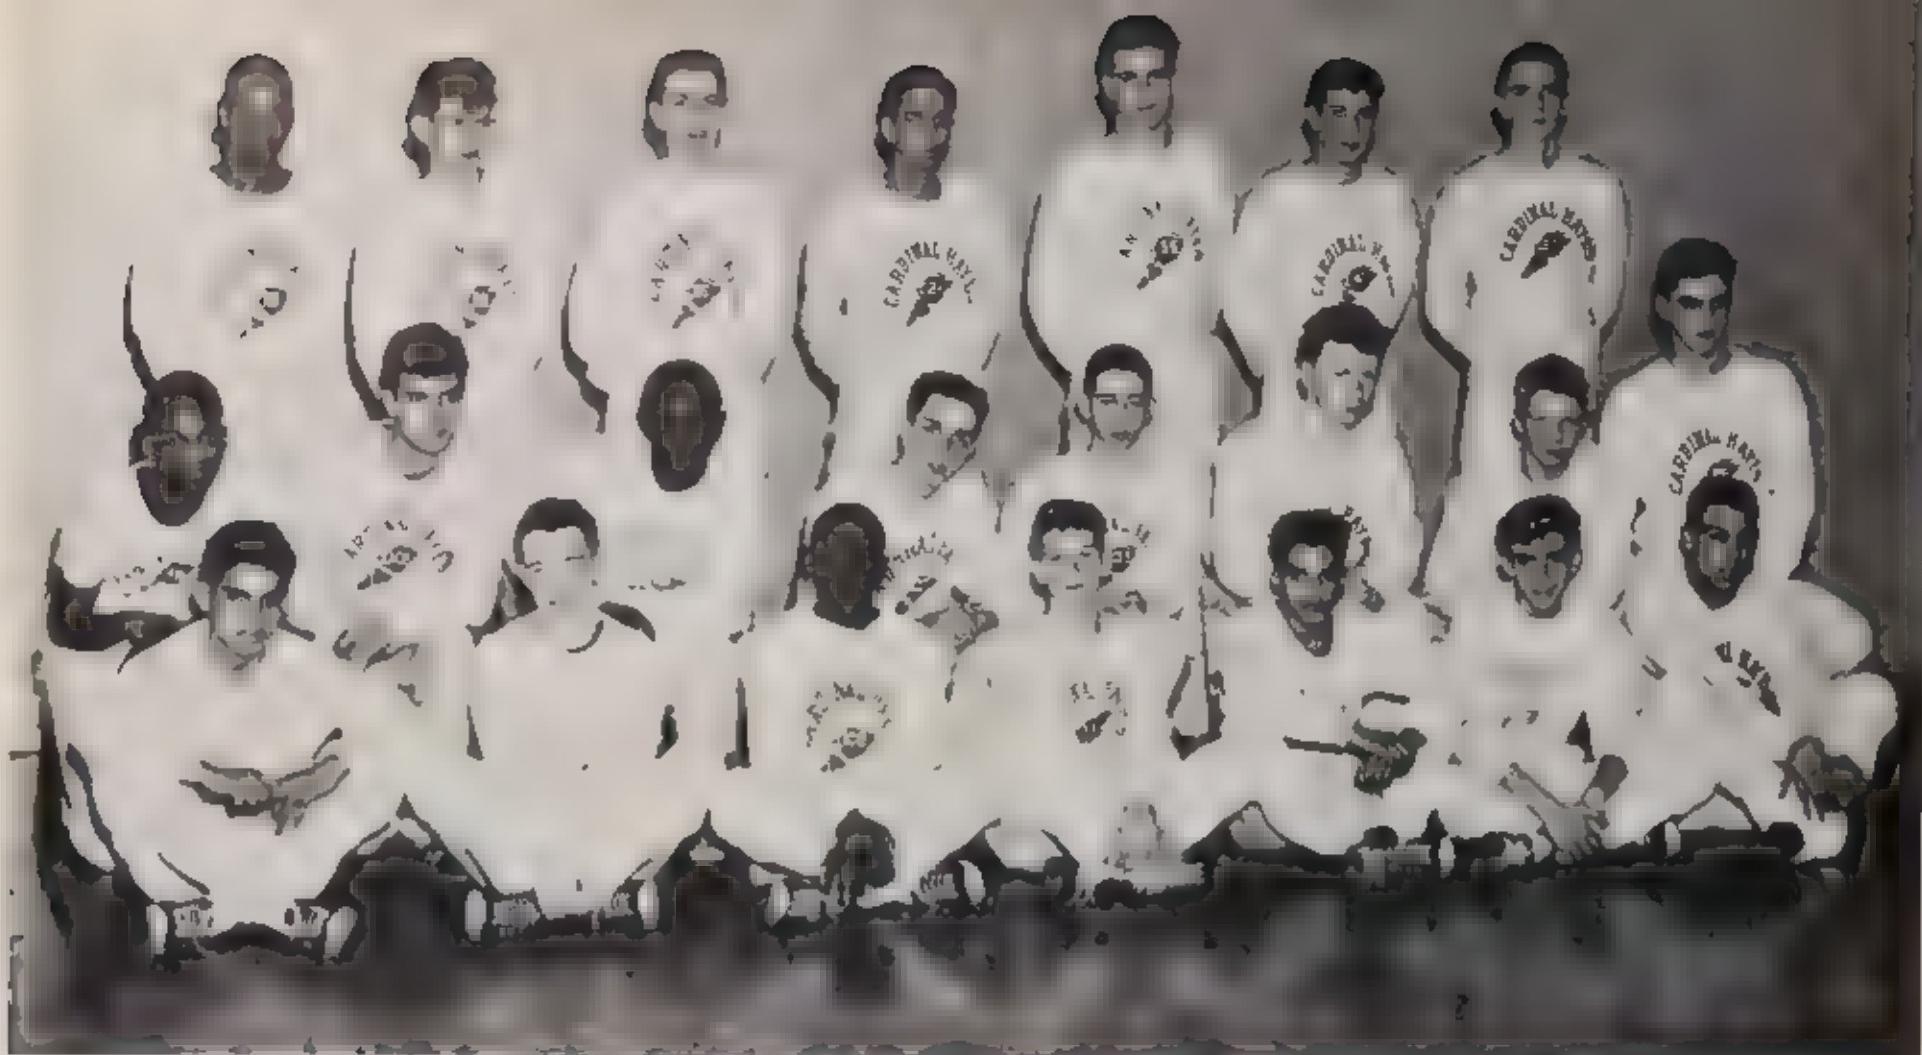

Early in the season, the Cross-Country team placed fifth in the St. John's University meet and third in the C.H.S.A.A. sectionals. Tom Brady placed first in the Iona College Cross-Country competition. Other outstanding members of the team were Captain Ralph Venturini, Paul Byrne, James Harshberger and John Brady.

Coach Harrington's harriers were also successful in their indoor competition. In the C.H.S.A.A. Relay Carnival the mile relay team of Frank Pisanti, Paul Byrne, Roy Howe and Richard McMahon copped first place honors. The 880-yard team also bested its competition. The Cardinals took second place honors at the Bishop Loughlin Games. The team was paced by Frank Pisanti's second place performance in the Open 600-yard run.

Paul Byrne also took second place in the same category at the St. Francis Prep Games.

On January 16, Hayes hosted 147 teams in the eleventh annual Cardinal Hayes Games. Paul Byrne placed second in the 600-yard run and Ralph Rosario also finished second in the frosh 880. The team took fifth position despite a leg injury to Pisanti during the Mile Relay Event. Paul Byrne finished first in the 600-yard event at the Mayor's Meet. The novice runners finished second in the C.H.S.A.A. novice championships. The varsity achieved an identical showing in the C.H.S.A.A. Sectionals.

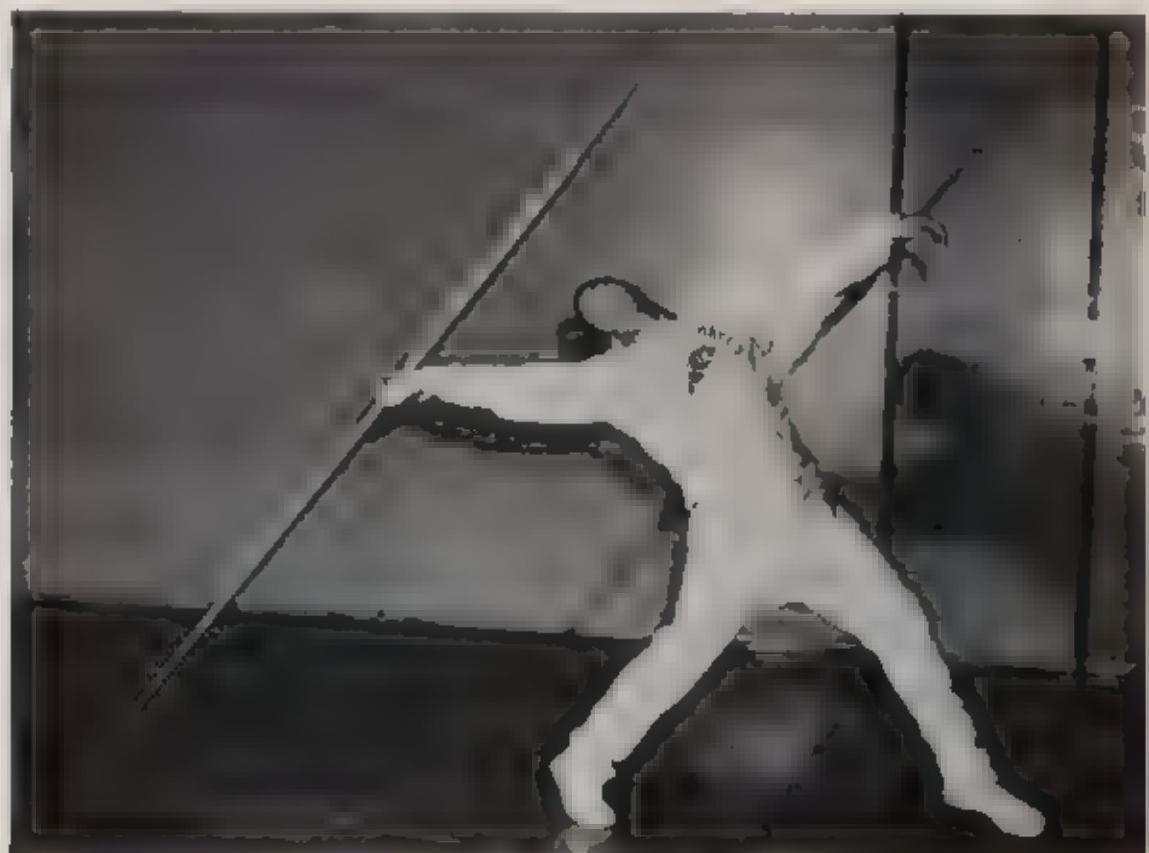

On February 27, the Cardinal spikemen rallied to a hard-contested fourth place in the C.H.S.A.A. Championships at Madison Square Garden. Outstanding Hayesmen were William Quinn, John Gilchrist, Richard McMahon and John Brady who came in second in the two-mile relay. Herman Berges in the 80-yard dash and Paul Byrne in the six lap relay gained well deserved laurels.

## Swimming

This year the Hayes swimming team had a very successful season, winning 10 of 11 dual meets and establishing two C.H.S.A.A. records. A record was broken by the medley relay team of Carl Hoegler, Don Lenahan, James Williams and Andy Wood. Wood also set a record in the 100 yard butterfly stroke event. Also worthy of significance is the fact that this year every senior captured at least one medal in competition.

This fine performance was due in part to the exemplary coaching of Mr. Sal Variello, who also coaches the N.Y.U squad. Likewise, Brother James Venantius contributed his talent in the versatile role of Jay Vee coach.

No review of the swimming season at Hayes would be complete without mention of Father Michael Flannery who served as moderator. In addition, James Gilmartin assisted by Emil Moschella capably performed the duties of manager. Co-captains Andy Wood and Don Lenahan are to be complimented for the singular leadership they showed throughout the season, inspiring a wonderful team spirit that earned many fine compliments for sportsmanship and gentlemanliness. Next year's team has some fine ideals to follow which we know they will live up to.
